- Benefit from a dedicated concierge, available 24/7
- A service combining professionalism and personalized assistance, for a stress-free journey

Un service qui allie professionnalisme et accompagnement personnalisé, pour un voyage sans souci.

Cultural and Immersive Experiences

Explore Chinese Night Markets

Discover iconic night markets such as Panjiayuan and Daliushu in Beijing, Wujiaochang in Shanghai, and more. Join a lively treasure hunt and find antiques under the glittering night lights.

Experience Chinese Street Food

Discover authentic flavors and indulge in must-try specialties: grilled skewers, juicy dumplings, crispy pancakes, fermented tofu, and handmade noodles. A gourmet, friendly, and surprising experience!

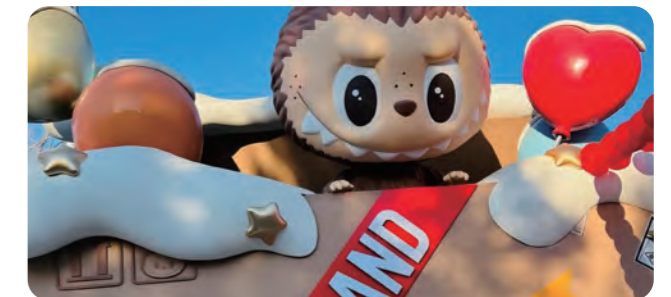

“GOGO Speed” Exoskeleton - Climb the Great Wall Effortlessly

The GOGO Speed is an external device (an exoskeleton) worn over clothes with straps. AI-assisted support detects your movements to reduce effort efficiently. Walk lightly, climb without fatigue, and fully enjoy the breathtaking landscapes. Ideal for seniors or visitors with reduced mobility.

POP LAND Beijing - Pop Mart's Enchanted Kingdom

China's first immersive Pop Mart theme park, located in the heart of Chaoyang Park. Explore LABUBU Forest, MOLLY Castle, and Bubble Street for unforgettable photos and exclusive products. Immersive exhibitions, interactive shows, and a magical atmosphere make this a must-visit for families and pop culture lovers.

Discover the Lenovo Future Center

Immerse yourself in a world of cutting-edge technology where artificial intelligence meets innovation. Enjoy immersive experiences, explore smart lifestyle solutions, and attend futuristic demonstrations. Interactive experiences • AI • Innovations

Explore Traditional Chinese Medicine

Dive into the fascinating world of medicinal plants and ancient healing practices. Discover the secrets of Chinese herbs in a traditional medicine hospital or pharmacy, experience the soothing effects of acupuncture, and explore the benefits of tui-na (therapeutic massage).

Off the Beaten Path

Authentic Immersion in Secret Guizhou (Homestay)

Day 1

Arrival in Kaili, welcome at the station, transfer to hotel.

Day 2

Kaili Market - Langde (songs, rice wine, Miao architecture) - Que Niao Village

Que Niao Village - nestled deep within the Leigong Mountain range

A picturesque village surrounded by lush forests and terraced fields.

Stroll through the maze of village alleys, meeting locals and sharing authentic moments.

Day 3

Seasonal Immersion in Que Niao

Activities depending on the season

- Spring to Early Autumn (April to mid-October): Participate in tea picking and learn the traditional methods of drying and rolling the leaves.
- Other seasons: Activities based on the harvest — fishing in the rice paddies, picking wild vegetables, joining local farming work.

Important Note

Due to fire restrictions between November and May in the protected area of Leigong Mountain, barbecues are prohibited.

Meals

Lunches and dinners prepared by your host family.

Accommodation

Second night with the host family for a total immersion in local life, accompanied by traditional songs and the crackling of wood fires.

Day 4

Hike to Huanggang and Xiangshuiyan Waterfalls

Depart for Huanggang and enjoy a panoramic hike of 2.5 hours to reach the tiered waterfalls of Xiangshuiyan. Admire the crystal-clear water, breathe in the natural aromas, and feel reinvigorated by nature.

Accommodation Overnight stay with a host family to extend the authentic experience.

Day 5

Miao and Dong Villages around Huanggang

Excursion to nearby Miao and Dong villages to explore their crafts and traditions. Transfer to Zhaoxing and check-in at Indigo Lodge, a charming guesthouse.

Day 6

Tang'an Rice Terraces & Departure

Hike (1 to 3 hours) through the breathtaking rice terraces of Tang'an. Transfer to the station for onward travel to Yangshuo or Guilin.

Zen Stay at Mount Qiyun - Immersion in the Chinese Art of Living

Highlights

- **Mount Qiyun** - a sacred site at 585 m altitude, featuring cave temples, tea gardens, bamboo forests, and red sandstone cliffs.
- **Hanging Village** - filled with the scents of incense and local cuisine, cobblestone alleys, and a timeless atmosphere.
- **Cultural immersion** - meditation, tai chi, calligraphy, and tea ceremonies in ancient residences.

Day 1

Arrival in Huangshan. Transfer to Mount Qiyun and cable car ascent. Visit Wangxian Ge and Dongtian Fudi with its cliff inscriptions, then stroll through Yuehua Tianjie, a cliffside village.

Overnight Guesthouse on the mountain.

Day 2

Zen Culture and Red Sandstone Landscapes

At dawn, meditation session and tai chi initiation with a local master. Explore natural sites: Wulao Feng, Ziyun Guan, Fangla Zhai, and the mysterious Red Sandstone Gallery. In the afternoon, taste teas in an ancient residence and learn about the Chinese art of tea.

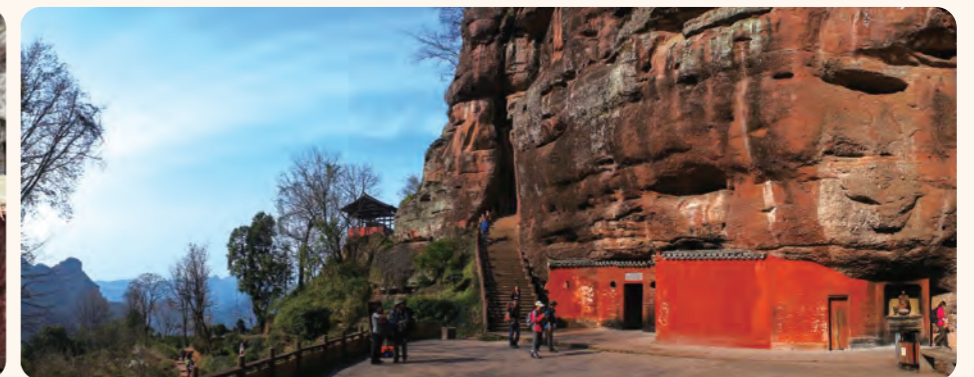

Overnight Guesthouse on the mountain.

Day 3

Calligraphy & Traditions before Departure

Visit Yuxu Gong Taoist Temple, built into the cliff, for an introduction to Chinese feng shui principles. Calligraphy workshop: learn to write the character "福" (happiness).

Lunch, then descend the mountain.
